Keynote Proposal · Faith Edition

“**Your Divine Blueprint:** Unlocking the Life You Were Designed to Live”

Abstract

Most leaders hustle hard and still whisper, “Am I living the life God actually designed for me?” Drawing on three decades of entrepreneurship, ministry, and the science-backed NEXUS Profile, Chris gives audiences a repeatable way to name how God wired them and turn latent potential into daily momentum. Audiences laugh at duct-tape garage stories, lean into real-world case studies, and leave with the confidence to live unapologetically as themselves, with healthier relationships, sharper decisions, and Kingdom-level impact at work and at home.

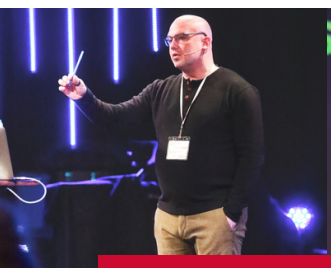
> “The God Designed CODE was a game-changer—it helped me understand myself and my team, gave clear action steps for growth, and put us years ahead of the learning curve.”
> — Scott Flora, Founder & CEO, EMI

> “Chris is one of the most professional and passionate leaders I know. The strategy he delivered transformed Kilns College and enabled us to reach students worldwide.”
> — Jerry Shultz, Extended Learning Dean, Central Oregon College

> “When you need a speaker who can address the whole of a business—culture, technology, marketing, operations—put Chris Behnke on your short list. I recommend him highly to anyone ready to expand reach and bottom-line revenue.”
> — Robert Ricciardelli, Founder, Converging Zone Network

Learning Objectives

- Identify the four wiring patterns—and the one that drives you—in under 10 minutes.
- Apply a three-step “Blueprint Audit” to align daily choices with long-term purpose.
- Leverage two conversation tools that build instant honor and trust on any team.

Audience Fit


Church and ministry leaders, faith-driven executives and entrepreneurs, and teams seeking clarity, cohesion, and growth.
